

FELLOW

Carter Move Mug

Coffee that can keep up.

Consider your commute covered. Designed to amplify the senses and engineered to fit your travel needs with a snap-in splash guard and a slim width, Carter Move Mug is ready to roll!

Move Mug's design is compatible with all standard cup holders.

CUSTOMIZE ME!

Ask your sales rep about how to customize Carter.

Features

SNAP-IN SPLASH GUARD

Sip security on-the-go! Simply snap in the splash guard when you take Move Mug into motion for mess-free drinking.

ON-THE-GO COMPATIBILITY

Coffee that can keep up. By car, by bike, or by backpack, the slim width fits any adventure.

TRUE TASTE CERAMIC COATING

Your coffee should taste how you intended. Unlike stainless steel, a ceramic interior keeps your brew free of odors, oils, and "old penny" tasting notes.
